2. **Taxi service** – There is a Taxi stand INSIDE the Terminal and you can order a taxi there. Please be extremely careful if you decide to take a taxi. Never take a taxi from a person approaching you at the Terminal.

3. **Metro Transportation** – If you are travelling on a budget and have time you can decide to take the Metro to the city center. The station is outside the Terminal and you need to get off at station: НДК (National Palace of Culture or NDK). Once you find yourself on Vitosha boulevard you should go straight (in Court Palace direction; NDK remains behind you) until you reach Denkoglu Street. Then turn left and walk till the end of the street. On the corner with Tsar Samuil str. you will find the building on left. Next to the building's entrance there is a sign marked with VIP Apartments Sofia sticker.

4. **If you are coming by car and looking for a nearby parking lot** – The closest public paid parking is on the same Denkoglu street – behind the building.
