Rates: Car 1-3 person: 18 Eur / Van 4-8 person – 28 Eur. Please request and provide full flight details via email.

2. **Taxi service** – There is a Taxi stand INSIDE the Terminal and you can order a taxi there. Please be extremely careful if you decide to take a taxi. Never take a taxi from a person approaching you at the Terminal.

3. **Metro Transportation** – If you are travelling on a budget and have time you can decide to take the Metro to the city center. The station is outside the Terminal and you need to get off at station: НДК (National Palace of Culture or NDК). Once you find yourself on Patriarh Evtimiy boulevard you should go straight (NDК’s garden should be on your right side) and turn right on Fritiof Nansen boulevard. After you cross Vasil Levski blvd. you will find number 29 on your left. There is Shoe’s store just next to the building’s entrance. You also can cross NDК’s garden in order to reach the address.

4. **If you are coming by car and looking for a nearby parking lot** – The closest public paid and covered parking is just across on the same boulevard (the car entrance is from Fritiof Nansen street).
