3. **Metro Transportation** – If you are travelling on a budget and have time you can decide to take the Metro to the city center. The station is outside the Terminal and you need to get off at station: НДК (National Palace of Culture or NDK). Once you find yourself on Vitosha boulevard you should start walking towards the big white building (NDK) until you reach Gurgulyat Street on your right. Then turn right and walk just one block. Before you reach Tsar Asen Street you will find number 25 on your left.

4. **If you are coming by car and looking for a nearby parking lot** – The closest public paid parking is on the next street - Verila street. If you are looking for a covered parking you can also use the one below the National Palace of Culture (the car entrance is from Fritiof Nansen street, on foot you can come out from the passage in the middle of the garden in front of NDK).
