2. Taxi service – There is a Taxi stand INSIDE the Terminal and you can order a taxi there. Please be extremely careful if you decide to take a taxi. Never take a taxi from a person approaching you at the Terminal.

3. Metro Transportation – If you are travelling on a budget and have time you can decide to take the Metro to the city center. The station is outside the Terminal and you need to get off at station: НДК (National Palace of Culture or NDK). Once you find yourself on Patriarh Evtimiy boulevard you should go straight towards the Five Corners in Sofia (the National Palace of Culture must be on your left). After crossing the first street named Tzar Asen I-st str., after 5 meters on your right you will find number 78 (after the clothes stores).

4. If you are coming by car and looking for a nearby parking lot – The closest public paid and open-spaced parking is on Verila str. (between Vitosha blvd. and Tzar Asen I-st str.). If you are looking for a covered parking you can use this one below the National Palace of Culture (the car entrance is from Fritiof Nansen street).
